BOTTOM LINE

We Can Trust God To Take Care Of Us

TALK ABOUT IT

Read: Daniel 6:1-23

- Daniel broke the king's law by praying to God. Do you think that was the right thing for him to do?
- Whose law is more important to obey if they are ever in conflict - man's law or God's law?

WAYS TO WORSHIP

Listen to ***You are I AM*** by MercyMe. Pay attention to the lyrics and what they say about who God is. He is the great I AM. He is more powerful than anything we face. We can trust in Him!

- What is something you are facing that is hard?
- If God can shut the mouths of lions and rescue men from a fiery furnace, is anything too big for Him to handle?

THINK ABOUT IT

Read: Daniel 6:25-28

- How did God use the close call that happened to Daniel for His glory and to further His kingdom?
- How did things end up for Daniel?

TRUST WALK

Set up an obstacle course. You can use things like tables, chairs, toys, cones, or anything else you have on hand. One person is the walker and one is the guide.

Without stepping on or bumping into anything or anyone, the walker must move backward through the course. This is only possible with the help of the guide. The walkers must trust that their guide will guide them safely throughout the course. If a walker turns around while on the course, steps on something, or bumps into anything - start over! When they make it through the obstacle course successfully, they can switch places and navigate the course again.
