

THE LAND BETWEEN

Following The Cloud – 6/13/2021

OVERVIEW

Around Blue Ridge you might hear us say, “We’re following the cloud!” We move when God moves, just like the Israelites did in the desert. God has not given us a road map for our life because the future is His. But, when we trust in Him and His plan, we will experience the ride of a lifetime. God’s invitation is always bigger than our imagination. Will you follow Him?

Scriptures: Romans 15:4; Exodus 13:17-18, 21, 40:36-37; Nehemiah 9:19; Proverbs 3:5-6, 16:9; Isaiah 55:8; Matthew 6:33-34; 1 Corinthians 2:9; John 16:12-13, 20:29

APPLICATION

- What is something that has been an obstruction in your ministry or in your spiritual walk?
 - How do you personally know when God is giving you a dream or a vision or telling you to do something?
 - Woody says, “Actions and moving come before understanding.” Often God asks us to move, even when we don’t have clarity or direction. In those moments, how do you operate in the uncertainty? How does it make you feel?
 - God’s invitation is always bigger than our imagination. What specifically stands out to you about this statement? How have you seen this play out in your own life?
 - We don’t need a road map; we just need a compass. The Word of God is our compass. How are you seeking God’s Word for where He wants to take you and for clarity in your purpose?
 - NEXT STEP: Over this series, we have seen that the first step is always to fast and pray. Then to look at the Word of God for biblical framework. After seeking God, look to trusted counsel around you. Then take action and move and take a step. As you do, God will continue to reveal your next step.
