

# THE LAND BETWEEN

## Living Sent - 7/25/2021

### OVERVIEW

Sometimes the idea of dreams and visions sounds big and unattainable. We hear stories about churches being planted and nonprofits being started, and we think, “I could never do something like that!” The fact is...you might not be called to that, but you are called to live a life on mission. Be encouraged as we hear how God uses individuals just like you to be the light of Jesus in their spheres of influence.

### APPLICATION

- What stood out to you as you listened to the story of John Marc and Ashley and their fostering journey?
  - What stood out to you as you listened to how Joyce used her Mary Kay business as a way to share her faith?
  - What stood out to you as you listened to how Talita said “yes” and has opened her home to young girls?
  - God often uses other people’s obedience and stories to increase our faith. How was your faith increased by hearing how God is using these people?
  - Do you sense God calling you to something?
  - Is there a next step that God is asking you to take as you live a life on mission?
  - NEXT STEP: Continue to be in prayer asking God to show you your next step!
