

Ambassadors – 10/24/2021

OVERVIEW

Jesus is telling us to reach out and love those around us. In the book of Luke, there are 10 examples of Jesus sharing meals and breaking bread in community. You find countless accounts of Jesus meeting a physical need of someone. We are Christ's ambassadors, and He is sending us to love those around us and to share what He has done!

Scriptures: Luke 4:18-19, 9:1-2, 10:8-9; Matthew 10:8,40; Isaiah 52:7; 2 Corinthians 5:14-20; Acts 10:37-38; Romans 8:11; Mark 6:12-13

APPLICATION

- If God could do a miracle in your life, what would you have Him do?
- Read Luke 10:5-9. What stands out to you about how Jesus tells us to respond to others?
- Steve shares three ways you can love others:
 1. Eat with them.
 2. Heal them.
 3. Tell them about Him.

We can all probably agree that eating with someone is the easiest of the three. What about 2 and 3 make them harder?

- What holds you back from doing these three steps?
- **NEXT STEP:** Your story is a great first step in sharing your faith. Although we know the Bible is inerrant, people can and do debate and dispute what it says. However, your story is your story. No one can dispute what God has done in your life. Take time to write out your story, so you can be ready when the time comes to share.
