OVERVIEW

Each person has been entrusted with gifts, passions, and a story, and God is inviting us to use those for His purpose. He is a sending God, and our primary calling is to make disciples. So how are you letting these three things (gifts, passions, and story) intersect to serve His Kingdom?

Scriptures: 1 Corinthians 12:1,7, 27; 1 Peter 4:10; Ephesians 2:10, 6:12; Psalms 139:13-14

APPLICATION

- The definition of passion is an object of someone's love, liking, or desire; or a strong feeling or emotion. What is something you are passionate about? It could be a cause, an activity, a people group, etc.
- How have you seen your life's story intersect with your passion?
- Take a good look at all three things in your GPS (your gifts, passions, and story). How do you think God wants you to use those to accomplish the calling of making disciples?
- Now, fill in the blank: I WILL _____. As Woody asked, how will you complete this sentence?

NEXT STEPS

Go to www.giftpassionstory.com and take the free gifts, passion, story assessment. For extra credit, ask two people who know you well to take the gifts and passion portions of the assessment as if they were you and then compare the outcome.
