

We are delighted you are interested in one of our K5 Serving Teams! Our desire is to give God our absolute best, and we would love for you to join us in doing that. So, as you pray about where to serve, it's important that you are aware of the opportunities and expectations we have in place.

REACH

Reach is a team for children with a heart for missions. In addition to teaching kids more about what it looks like to be a disciple, Reach is committed to sharing the love of Christ with the Blue Ridge area through acts of service and sharing the gospel.

EQUIP

Equip brings together children to serve by equipping our rooms for Sunday mornings. These children prepare games, crafts and other projects used in BR Kids. Children are challenged to discover and live out their relationship with God. They do not have to be Christ followers to join.

AMPED

Amped is our children's worship team. Children who are Christ followers are disciplined and taught about leading musical worship for other children. This high-energy team sings, dances and praises God during service on Sunday mornings.

*All three teams meet on Tuesday evenings, from 6:00-7:30, at the New London Campus, for specific team training and discipleship. They each work through Bible-based studies to learn more about what it looks like to live a life for Christ. All teams are for current 2nd-5th graders.

Interviews

Interviews will take place in the K5 Theater at the New London Campus on Tuesday, February 25 at 6:00-8:00pm. To sign up for an interview please go to: <http://www.blueridge.org/events/kidserve>

- All interviews will include a one-on-one interview to go over your application. *Parents: Please make sure that you allow your child to answer the questions, even if you help them fill out the form.*
- If you are interested in Amped you will also sing and dance to selected worship songs in a large group setting. *No child will be asked to dance alone.*
- By signing up to serve, you are interviewing for all teams. You may identify the team preferred on the attached interview form. However, please be aware that we do not guarantee you will make your preferred team. We want to help you find your best fit as you grow in your relationship with Christ.

Again, we are very excited that you want to serve God in new ways and look forward to what God has in store for these teams this coming year! If you have any questions, please feel free to contact us.
